

LISA MARTIN

PERSONAL OBJECTIVE

I am currently working as an urban bus driver in Tokoroa. I have really enjoyed this, and the chance that it has given me to work in the driving industry and to build a strong foundation of driving skills while ensuring passenger safety and providing professional customer service. I possess a passion for providing a great experience to every passenger and for giving assistance, advice and guidance to the public when requested.

I have a range of practical skills and enjoy communicating with people. I take pride in the work that I do and consider myself to be a focused and methodical worker with particular emphasis on attention to detail. I relate well to people of all ages, cultures and backgrounds and experienced in providing a high standard of customer service. I am a fast learner and I'm willing to undertake further training to learn new skills that will enhance my employment opportunities. I am always on time and ready to work.
